

Introduction to the Public Campaign Finance Program for the New York State Assembly

The New York State Public Campaign Finance Program provides candidates running for statewide or state legislative office the ability to qualify for public matching funds based on small donations (\$5-\$250) from residents in their district. The Program for the New York State Assembly will begin on **November 9, 2022**, for the 2024 election cycle.

PROGRAM AT A GLANCE

To receive public matching funds, candidates must meet the eligibility criteria, be certified by the New York State Board of Elections (NYSBOE) Public Campaign Finance Board (PCFB) and comply with all program requirements. See the steps below and the information in this guide for a brief overview of how candidates running for the **New York State Assembly** can become participants in the Program and qualify for public matching funds.

- 1. Run for New York State Assembly** – The Public Campaign Finance Program is only available to candidates running for one of the following offices in New York State: Governor, Lieutenant Governor, Attorney General, Comptroller, State Senate, and State Assembly.
- 2. Register a Committee** – Candidates **must** register a new authorized committee (PCF-21, Type 1P) with NYSBOE. Once a committee is registered, PCFB will send a welcome packet to the candidate and treasurer that includes the program overview, eligibility checklist, and program Application/Certification.

If a candidate has an existing committee open for the same office, it must be terminated. Candidates are only allowed to have one committee open per elective office sought. If the existing committee remains open, any funds raised will not be eligible under this Program.

The PCFB will assist committees during the transition period of closing down one committee and opening a new committee.

- 3. Submit an Application/Certification** – After a candidate has registered a new authorized committee (Type 1P), the candidate and treasurer must complete a PCF-22 Application/Certification Form. This should be submitted as early as possible and can be submitted with the committee registration form. The deadline for the Application/Certification to be received is February 26, 2024. Don't wait!
- 4. Hit Fundraising Thresholds and Abide by Contribution Limits** – In order to qualify for receipt of public matching funds, candidates running for New York State Assembly must raise a minimum of \$6,000 and receive at least 75 matchable contributions (in-district residents, in an aggregate amount of \$250 or lower). For lower-income State Assembly Districts (below the state median), the minimum amount to be raised is reduced to \$4,000. Contribution limits will be lowered on an across-the-board basis effective November 9, 2022. (See "Contribution Limits" under "Limits & Thresholds for New York State Assembly.")
- 5. Complete Mandatory Training** – Candidates and treasurers are required to complete a series of mandatory program and compliance training sessions. Announcements and dates for training registration will be posted on the PCFB website.
- 6. Meet Election Requirements** - In order to qualify for public matching funds, candidates must qualify to appear on the ballot and participate in a competitive election opposed by another candidate (not including write-ins). There is an exception, where if a candidate is

unopposed in the Primary Election, they may receive a limited amount of public funds for expenses incurred on or before the date of the Primary Election.

7. Adhere to All Program Requirements - Candidates and treasurers must adhere to all program requirements:

- Submit financial disclosure reports
- Keep financial records
- Restrict the use of personal funds
- Comply with any repayments or audits

The committee's remaining balance may be transferred into the new authorized committee from the old authorized committee.

- Did the committee complete the PCF-21 Type 1P Committee Registration Form?
- Did the committee submit the form with original signatures to the New York State Board of Elections?
- Does the candidate have any pre-existing authorized committees for the same office being sought this election cycle? If so, are those committees terminated?

Please note: Upon successful registration, the treasurer will receive an account activation email and a welcome packet. Only after the new authorized committee is registered may a candidate begin raising funds that would qualify for meeting Program eligibility thresholds.

7. Be in a Competitive Election to Receive the Maximum Payment Limit:

Payment Limits if PCFB Determines Candidate is in a Competitive Election

Primary Election

New York State Assembly	
Payment Limit	\$175,000

General / Special Election

New York State Assembly	
Payment Limit	\$175,000

Payment Limits if PCFB Determines Candidate is NOT in a Competitive Election

Primary Election

New York State Assembly

General / Special Election

New York State Assembly	
Payment Limit	\$43,750

- Does the candidate have an opponent?
- Did the committee submit the signed Statement of Competitive Opposing Candidate certifying the competitiveness of the candidate's election?

Please note: If a candidate is unopposed in, or does not have, a Primary Election, but one of the two major parties has a Primary Election contest, the unopposed candidate could be eligible for a reduced amount of public matching funds (50% of the maximum). For New York State Assembly, that payment limit would be \$87,500 for the Primary Election.

8. Adhere to All Program Requirements

Committees are required to submit all required financial disclosure reports as outlined in the annual Filing Calendar.

Committees are required to keep all financial records for a period of five years to enable PCFB to verify accuracy of disclosure reports.

Candidates are not permitted to use personal funds/property for the campaign, except for contributing to the authorized committee in an amount no more than three times the non-family

limit for the office. For purposes of this program, loans from the candidate are considered "use of personal funds"; accordingly, a candidate may only loan their campaign up to three times the non-family limit for the office.

Funds jointly held by a candidate, their spouse, or unemancipated children, shall, for the purpose of this limit, be considered funds of the candidate.

Committees are responsible for repaying any excess funds, surplus funds, or funds used for impermissible purposes.

- Has the committee submitted all required financial disclosure reports to PCFB as required by law? Disclosure reports must continue to be filed by the committee until termination is requested from and approved by PCFB.
- Has the committee maintained all internal financial records?

- Has the committee abided by all repayment requirements?

9. Comply with All Post-Election Audits:

Committees are audited by PCFB, and those who receive public funds must provide a detailed accounting of the way all public funds were spent. Committees must set aside 3% of the public funds received for post-election audit activity.

Committee audits are completed within a year and a half after the applicable election.

Any costs associated with the post-election audit are paid for by the candidates' authorized committees, using a required 3% reserve of committee funds.

- Did the committee set aside 3% of the public matching funds received for post-election purposes?
- Did the committee comply with all post-election audit requirements?

LIMITS & THRESHOLDS FOR NEW YORK STATE ASSEMBLY

Contribution Limits

New York State Election Law establishes limits on contributions that can be received by candidates and political committees.

Effective **November 9, 2022**, the following limitations apply to all non-family contributions to candidates' authorized committees for election to the **New York State Assembly**. (E.L. §14-114(1)).

Please note: These limits apply to all candidates for New York State Assembly – whether the candidate is participating in the Public Campaign Finance Program.

New York State Assembly - Non-Family	
Primary	\$3,000.00
General	\$3,000.00
Total	\$6,000.00

The family limits for contributions to New York State Assembly candidates' authorized committees remain based on the formulas outlined in the table below. Under NYS Election Law, the family limit is an aggregate limit from all the candidate's family members (defined as the candidate's child, parent, grandparent, brother and sister, and the spouse of any such persons). However, if a candidate solely, or using funds jointly held with a candidate's spouse, or candidate's unemancipated children, contribute more than three times the applicable non-family contribution limit, the candidate would not be eligible to receive public funds until remedied.

New York State Assembly - Family	
Primary	Total number of enrolled voters in the candidate's party in the district, excluding voters in inactive status, multiplied by \$0.25, but at least \$12,500, and no more than \$100,000.
General	Total number of registered voters in the candidate's district, excluding voters in inactive status, multiplied by \$0.25, but at least \$12,500, and no more than \$100,000.

Fundraising Thresholds

Participating candidates must raise a certain amount of funds from a certain number of individual contributors to qualify to receive public matching funds. The fundraising thresholds vary by office sought. The fundraising threshold for eligibility for matching funding for participating candidates for **New York State Assembly** is \$6,000 of matchable contributions, including at least 75 individual matchable contributions from residents of the applicable Assembly District. (E.L. §14-203(2)).

Funds that were lawfully raised in previous election cycles do not count towards the threshold for participation in the Public Campaign Finance Program.

Office	Matchable Contributions	Minimum Number of Matchable Contributors
State Assembly	\$6,000*	75 District Residents

*For lower income New York State Assembly Districts (below the adjusted state median income), the minimum amount required is reduced to \$4,000. The Public Campaign Finance Board (PCFB) will publish which districts are subject to the reduction each election cycle.

Matchable Contributions

Matchable contributions are between \$5 and \$250, provided those contributions come from a natural person who is a resident of the New York State Assembly District the candidate is running for. For examples of what contributions qualify and do not qualify for public matching funds and eligibility thresholds, see the chart below or refer to E.L. §14-203(2) of NYS Election Law for more details.

Example *All individuals in examples are in-district residents	Is the contribution matchable?	Does the contribution count towards the minimum amount raised threshold?	Does the individual count towards the minimum number of contributors threshold?
Individual A contributes \$5 (or any amount up to \$250)	Yes	Yes	Yes
Individual B contributes \$2 (or any amount \$1-\$4)	No	No	No
Individual C contributes \$500 (or any amount greater than \$250)	No	Yes, but only \$250 of the total given	No
Individual D contributes \$250 and makes another contribution (of any amount)	No, unless the committee refunds any contribution over \$250	Yes, but only \$250 of the total given	No, unless the committee refunds any contribution over \$250
